

# Chapter 1

## Introduction

This is a test of an introduction. Many interesting things are written.

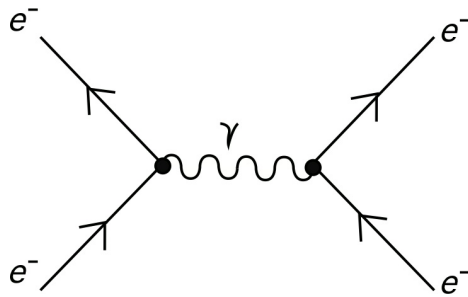

Figure 1.1: This is a test caption

The figure works !! [1]

This is another paragraph with some more words to see if I'm monitoring things correctly. New

line

More text for testing my scripts xD

This is another line just to be sure

Now this should increase my number of pages

## Chapter 2

# Another chapter

This is for sure another chapter!
